

Irish Music Monday Session at Colie's Café, Nazareth College

September 29, 2014

Waltz session: 6-7 pm, Reels, Jigs, Hornpipes, Polkas, etc. beginning at 7 pm

Colie's Café is in the ground floor of the west wing of George Hall. There is a sign outside by the sidewalk and a sign on the door.

If you enter the campus from East Avenue on North Campus Drive, bear right and go around the north side of Golisano Academic Center and turn right onto the drive that goes by Colie's Café. You can park right there but if there is no room, park in the Stadium Parking Lot and walk up the sidewalk to Colie's. If you enter from French Road, follow Golden Flyer Drive to the end, turn right and park in the Stadium Parking Lot. On this map, parking lots are dark purple, buildings are light purple which makes it difficult to decipher.
